DELISTING OF COMPANY SHARES FROM THE SIX SWISS EXCHANGE

LumX Group Limited (ticker: LUMX) (“LumX”, the “Group”, the “Company”, or “we”), announces that it will delist its shares from the SIX Swiss Exchange (“SIX”), effective Tuesday 30 June 2020. The last day of trading of LumX Group shares on the SIX will be Monday 29 June 2020.

The obligations to maintain the listing lead to high costs, create administrative burden and absorb management time. The Company's current organisation and strategic focus, as well as the low trading volume in LumX shares, do not justify the time and costs required to meet its listing obligations.

For these reasons, LumX has submitted a request for delisting of all its listed shares. By decision dated 30 January 2019, the Regulatory Board of SIX approved the request. The shares will be delisted as per 30 June 2020; thus, the last trading day will be 29 June 2020.

The Executive Chairman of LumX, Arpad Busson, commented:

“This decision will allow us to invest all our resources in the continued growth of our most promising strategic opportunity, which is the business of LumRisk, the Group's fintech and regtech subsidiary that continues to be our growth driver. My heartfelt thanks go today to the LumX investors who have stood by us over the years, as we have worked to refocus our business.”
